

Learn to Cook Like a Pro

Ever look in your fridge filled with many options and just stand there saying... "Now What?" or "I want something different!"

Cooking with Anita, opens new doors for the same ingredients...

She shows you Pantry Staples that are a Must Have and how to use what you have to make an amazing NEW Creation!

Come with your friends or request a private lesson!

Cooking with Anita is a great option for Birthday or Bachelorette Parties Or a Girls Night Out! Her Kitchens hold up to 12 people for lots of fun!

"Anita offers great ideas for traditional Ingredients!"

"It was fun and informative, I was surprised at how many ideas we shared!"

"She made cooking easy for me! My skills are very limited and with her simple techniques and easy approach I could easily duplicate them, in fact, I was able to share them with my children."

"My children look forward to her Cooking Camp every year!"
